Patient Access Solutions Inc. Proudly Announces Grand Opening of The CIIT Center

State-of-the-Art Treatment Center Specializing in a Multitude of Chronic Neurological and Biomedical Conditions

Commack, NY, January 2, 2017 – Patient Access Solutions, Inc. (PASO), a provider of healthcare/financial processing solutions for the healthcare, and dental industries, proudly announces the grand opening of the new center for treatment of individuals with autism spectrum disorder and other biomedical conditions. The center will focus on bridging the gap of an unhealthy brain to a healthy brain.

Patient Access Solutions Inc. through its management company PASHealth Management Company Inc., opened its Plainview Center, specializing in the treatment of Autism, Concussion, PTSD and numerous other biomedical conditions. The Center for Integrative and Innovative Therapies, also known as [The CIIT Center](#), will offer state-of-the-art diagnostic testing, innovative healthcare strategies for individuals with autism, and the implementation of advanced and effective strategies for the rehabilitation of those suffering with post-concussion syndrome and like syndromes. The Center will be run by a team of expert doctors, neuropsychologists, nurses and various therapists addressing a multitude of health conditions based on the foundation of integrative medicine.

The CIIT Center will occupy 12,500-square feet, in a street level office building located right off two major highways in Plainview, NY. The progressive center provides great efficiency and convenience in how we serve our patients. The goal is to create integrated, personalized treatment programs where the patient and staff work in unison to identify the underlying health conditions causing the issues, as opposed to just treating the symptoms.

The CIIT Center has opened its doors and accepting patients as of January 9th 2017.
