About the CIIT Center (www.theciitcenter.com)

The CIIT Center occupies 12,500-square feet, in a street level office building located right off two major highways in Plainview, NY. The progressive center provides great efficiency and convenience in how we serve our patients. The goal is to create integrated, personalized treatment programs where the patient and staff work in unison to identify the underlying health conditions causing the issues, as opposed to just treating the symptoms.
